

ScaleSolv™ vs. Competitor

Advantages of ScaleSolv™ over Competitor

- It can be used on Galvanized and Aluminum metals
- It does not cause dissimilar metal plating
- It prevents flash corrosion post cleaning
- It is up to 30% lower in use cost than Rydlyme.

	ScaleSolv™	Competitor
Can be used on Galvanized metal	v	No
Can be used on Aluminum metal	v	No
Prevents dissimilar metal plating	v	No
Prevents flash corrosion post cleaning	v	No
Does not contain HCl	v	Contains some HCl
Use Cost		~30% higher
